

## **A BRIEF "THANK YOU" FROM THE FIA**

TO:

ALL CURRENT & PREVIOUS COMPETITORS IN THE FIA TROPHY FOR HISTORIC REGULARITY RALLIES

Firstly a sincere "thank you" to all of you who have supported us over the years and a warm welcome to those who plan join us for the first time. We are here to help so please do not hesitate to contact us if we can assist in any way. Information about the Trophy (including Regulations) is available on the FIA web ([www.fia.com/historic](http://www.fia.com/historic)). For ease of reference a copy of the 2016 Regulations is attached to this mail.

We have invited 8 excellent events to form our FIA Trophy this year running from March to November – again a full calendar is attached for ease of reference. Last year saw a record number of registrations and some excellent and friendly competition. Winners will of course be recognised and congratulated at our own FIA Awards evening. Be assured that if we continue to receive the same level of support (or more!) this year we will be delighted to extend the range of trophies presented.

Different events offer different challenges – some require map reading skills, others follow a simpler "tulip style" road book, but as always it is adherence to average speeds which is the hallmark of success. Thus the power of the car is of little benefit and all the points are awarded to reflect overall final classification plus the period of the car. Periods B to I are currently included but events are free to accept entries from Period J1 and J2. There are bonus points for starting and a classified finish, plus extra points for cars from Periods B to E. We will review all aspects of the points scoring and eligibility during the year so please come and talk to us during events.

Registration and full Trophy details are available on the FIA website – [www.fia.com/historic](http://www.fia.com/historic) – but if you have any difficulties I know our colleagues at the FIA in Geneva will be very pleased to assist.

Once again, many thanks for your support, please feel free to send this information to your friends and colleagues who may be interested so that we can make 2016 a truly enjoyable, competitive and friendly Championship.

I am available by email or mobile phone should you wish to contact me directly

Very best wishes to you all

Rod Parkin
